Apni Pathshala- Annual Report 2023-24

Prepared by

Uva Jagriti Sansthan

Message From Founder

GOKUL CHAND SAINI
FOUNDER/CHIEF EXECUTIVE OFFICER

I am happy to present the Annual Report 2023-2024 of APNI PATHSHALA POD BANSUR .

On the occasion of Teacher's Day in the year 2023 UVA JAGRITI SANSTHAN , program has been started in the name of Apni Pathshala, in which about 432 students of rural areas have been benefited. Without knowledge, the education of the students remains incomplete. Children from rural families remain away from such opportunities. The institute has imparted skills like design and development in local language to its school children to enhance their technical knowledge. has designed this program to provide real-world education to children. On the occasion of Teacher's Day, the institute has given this program as a gift to the children.

Thank you.

We want to equip a new Apni Pathshala with all the computing tools with a world class learning and up-skilling experience for our students. UJS Apni Pathshala Pod kickstarted operations from 5th September 2023.

UVA JAGRITI SANSTHAN, BANSUR ALWAR (RAJASTHAN)UNDER BHOR-RAY EDUCATIONAL INITIATIVE PRESENTS

LOCATION: UVA JAGRITI SANSTHAN, BANSUR, DISTRICT- KOTPUTALI BEHROR (OLD DISTRICT NAME ALWAR) RAJASTHAN

OBJECTIVE:-
Helping this future of India get access to a great learning environment, access to amazing educators, state of the art computers, cutting edge tech tools along with a generous array of life changing opportunities across the divides of regions, languages and cultures with Apni Pathshala.

ABOUT APNI PATHSHALA :-

With the help of Apni pathshala, today not a single child will be left without a computer. The concept of learning pods has become increasingly popular, as a better alternative to crowded commercial coaching classes. UJS ApniPathshala offers learning pods that complement traditional classroom instruction and have gained widespread popularity among parents and children.

ABOUT US

Uva Jagriti Sansthan(UJS), a not-for-profit non-governmental organization based out of Bansur, a district in Alwar, Rajasthan. UJS was founded in the year 2003, since then it has been working relentlessly to improve the infrastructure of rural education system.

Since its inception in 2003, our organization has worked tirelessly to strengthen the infrastructure of the rural education system. The goal of UJS is to assist students from India's economically disadvantaged sections by providing them with the necessary technology equipment to become digitally literate.

The vision of Uva Jagriti Sansthan (UJS) with Hon'ble Prime Minister Vision of an evolved and digital India in which every person is tech savvy and capable of meeting today's technology needs and requirements.

"We live in a world with all its odd and even, right and wrong, beautiful and ugly but at the crux of it, everything is contingent on our perspective. Change can only be brought if there exists the courage to question the norms and the will to undertake the actions however hard it is!"

Uva Jagriti Sansthan has been improving and transforming the lives of women in our country's rural areas. UJS has created more than 360 SHGs (Self Help Groups) in Alwar region and has been teaching and empowering women.

UJS has been seamlessly working on enhancing the quantum of Women Leadership by forming fortified Women Self Help Groups (WSHGs) and established thousands of leaders within their purlieu. As an impact many of them are leading their families now. UJS intend to provide a chance to the budding women to re-build what they want, through viable livelihood alternatives.
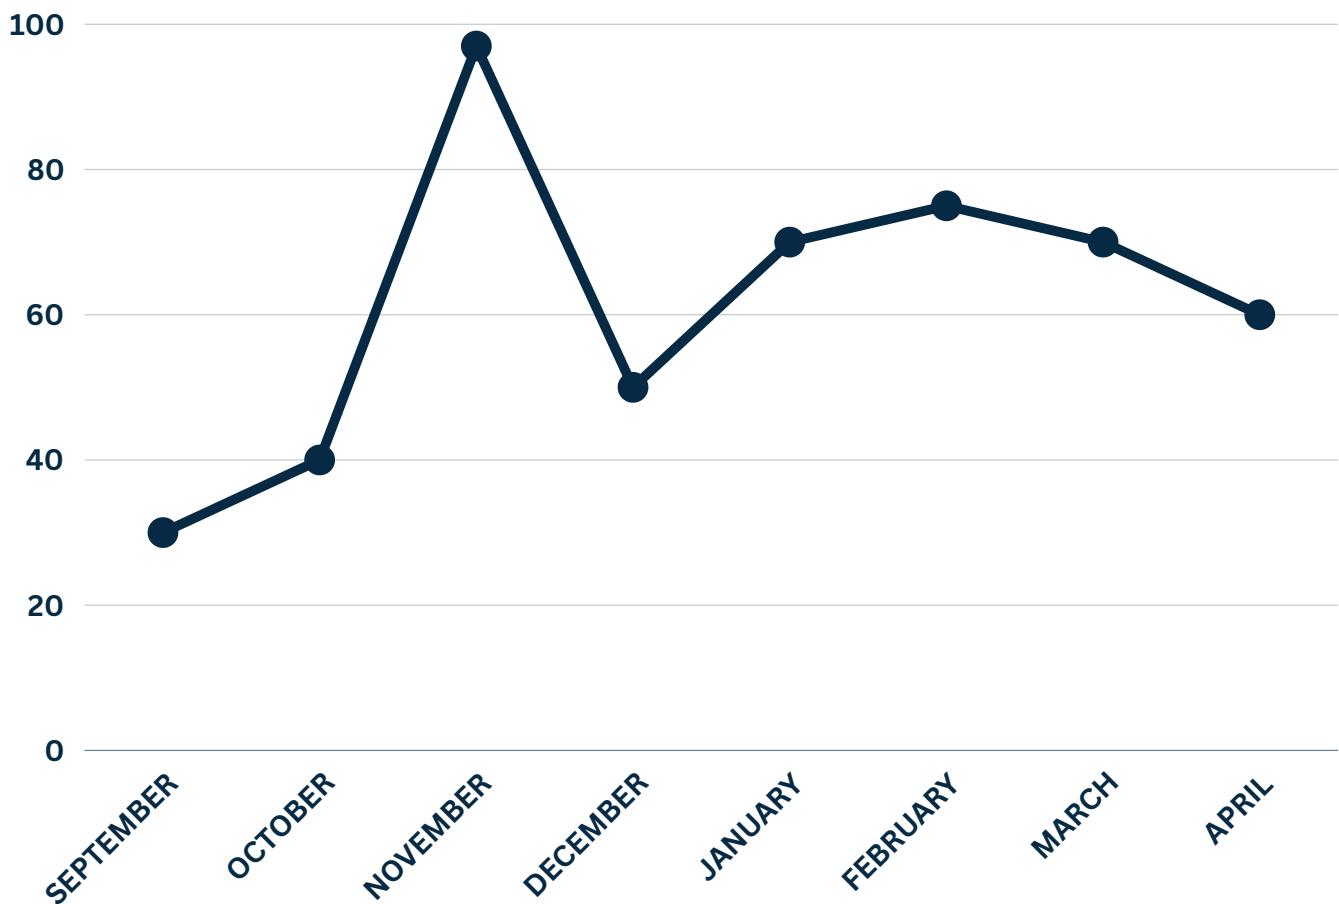

UJS firmly support the belief that 'when women support each other, incredible things happen'.The current momentum around women's economic empowerment offers huge scope for bringing about real changes in women's lives. Thus, we have to empower the women today so as to escalate their living standards and weave bright future. Women empowerment in its most sensible form means creation of such welfare environment, where women can - live heroically & self-reliantly by having equivalent rights. The Empowered woman is powerful beyond measure and beautiful beyond description. The UJS would like to explain - who the strong women are? They are the ones which you can observe building one another up, instead of tearing each other down.

Total Students :- 492

Month Wise Annual Review

Most children growing up in India today do not have access to computers – we hope to change this by helping our students through our Pathashala, where any child from any social or economic background can access independent computers. Is. Can move around freely and in a safe, positive and encouraging environment, acquire the skills and knowledge to operate a computer and use it to gain professional skills.

The aim of setting up our Pathshala was that it was the best way to provide good education to the communities and one of the greatest learning experiences for them.

Teaching has always been considered one of the best ways to learn and equipping today's children with the skills of tomorrow can be really beneficial.

Through Apna Pathshala we collectively provide vital skills, training and information to children every day. let's help.

APNI PATHSHALA TESTIMONIALS

NIKITA SAINI

Introduction:

I am a student of B.Sc. Bansur I am studying in P.G.college bansur I am currently learning designing, in Uva Jagriti Sansthan APNI Pathshala bansur I love designing very much
I'm dedicated to creating user-friendly, visually stunning.
And high-performing websites that not only meet but exceed customer expectations.

Being frequent learner of digital design skills at the UJS Apnipathshala, I got chance to participate in website making competition and I believe in the future of India, growing up, around us today – learning to form website is discovering the wonders of the universe. I extend my heartiest thanks to UJS team to bring such a nice computer environment for learning.

uva Jagriti Sansthan Apni Pathshala, known for its vibrant cultural programmes, organizes various programs regularly for the students to explore their interests from the traditional courses.
Among these libraries, the website building competition provided an exciting opportunity to the students to hone their technical skills in the digital domain.

Budding technocrat Nikita Saini, fond of web development, has humbly accepted the challenge in the competition.Inspired by his mentors, fueled by his knowledge and his passion, he embarked on the journey of conceptualizing a website that not only impresses the judges but also leaves a reputational impact.
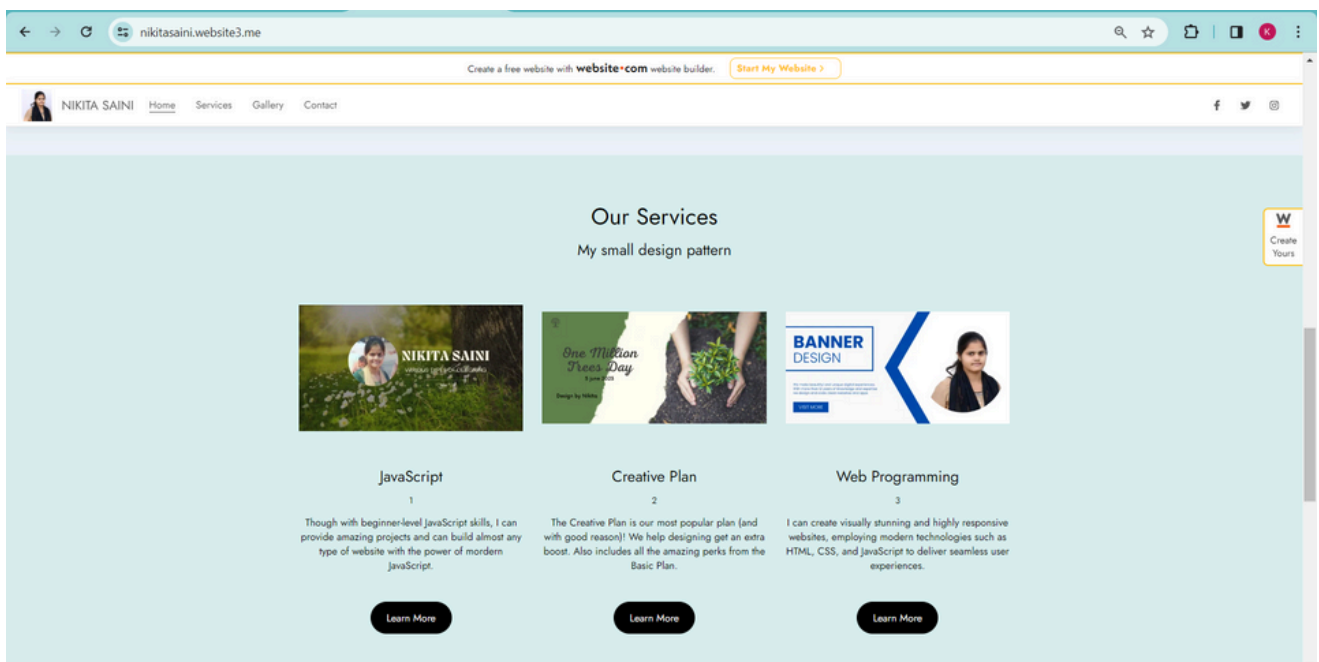

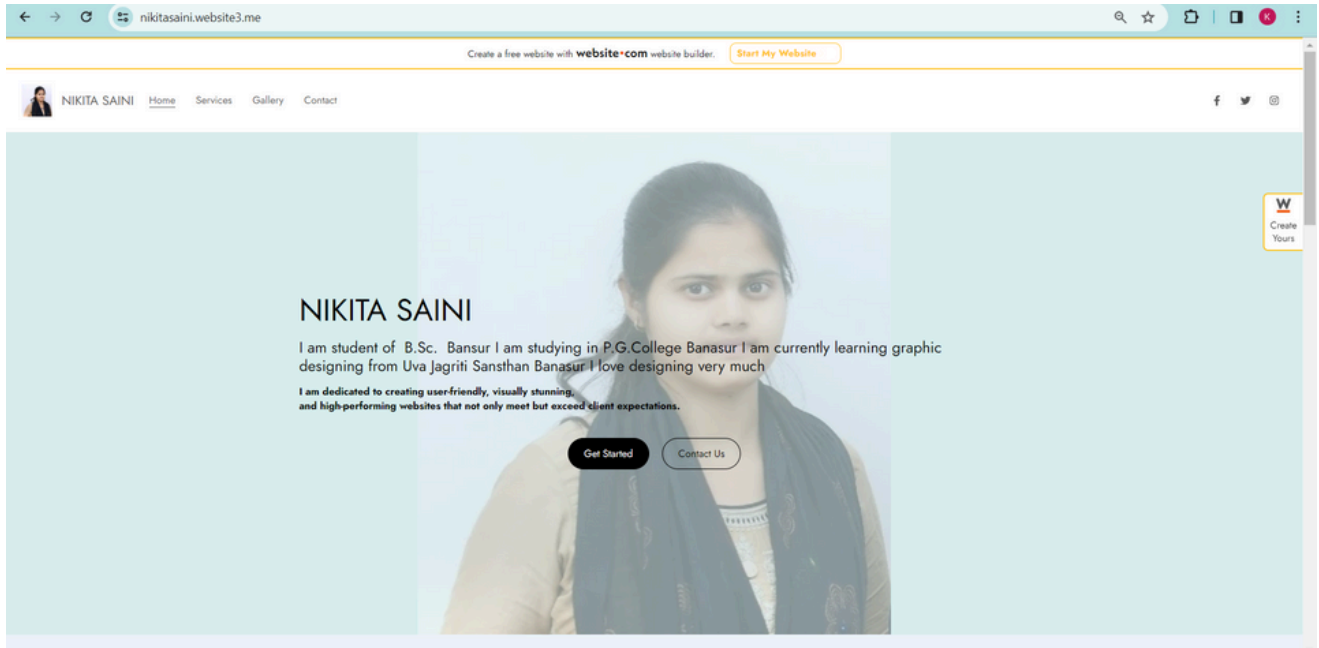

Nikita outlined all aspects of his website, from design and layout to user experience.
Taking inspiration from his interests and artists, he added innovative features and cultural content to the website,
The path to success was not unexpected, as Nikita Saini met many friends along the way.
When the results of the competition were announced, Nikita Saini proudly made it to the top 10 finalists, receiving praise for her uniqueness and overall excellence in her website.
This philosophy not only embodied his hard work and values, but also served as a testament to the supportive environment fostered by uva Jagriti Sansthan Bansur Alwar Rajasthan .

Ayush Maheshwari
Shastri Colony Bansur

Hello, my name is Ayush Maheshwari, my father's name is Pramod Maheshwari, I am a resident of Shastri Colony Bansur, I have studied till 12th and now I am doing B.A. Along with studies, I am studying in Apni pathshala of Yuva Jagriti Sansthan. I have learned a lot from Apni Pathshala. Earlier we did not know anything about Canva, Digital Marketing, Adobe Express, Chatgpt. But through Apni Pathshala our skills have become quite good and now we know Canva, Adobe, Digital Marketing and also do designing on all these.

I would like to thank Uva Jagriti Sansthan and Apni Pathshala, who think about the rural children and help us move forward.

Thank you
